

**Riverview Family Medicine and Urgent Care** is excited to announce that beginning on Friday, April 3, 2020, we will offer Senior Hours from 6:00am – 8:00am every Monday – Friday.

The intent of these hours is to see individuals over the age of 60 who need a well check or a medical visit for something other than illness such as joint pain, chronic disease management, or a physical.

Our intent with these visits is to insure a safe and healthy environment for those who are most at risk during this pandemic. All sick visits must be scheduled during our regular operating hours or can be an urgent care visit during our regular operating hours.

To schedule a well visit between 6:00am-8:00am, please call 803.366.7443 and ask about Senior Hours.
